## FOX HOLLOW MEN'S CLUB COMBINATION TOURNAMENT

Chairmen: Kevin Horvath and Joe Sicora

The combination tournament is open to all Men's Club members from all leagues. **SIGN UP SHEET IN PRO SHOP.**

It is a one day, 27 hole, two man team event (pick your own partner). The maximum course handicap difference between the two team members may not differ by more than 10 strokes. Any team with a higher handicap difference will be adjusted. There is an additional entry fee of **\$20.00 per team (\$10.00 per player)** for this event which should be paid in the golf shop.

The event is flighted and limited to 30 teams.

### **FORMAT**

Each 9 hole course is played using a different format as follows:

**Front Nine - Scramble:** Ball can be PLACED within one-club length (no nearer the hole). If you are unlucky enough to have to use a ball in the hazard, you may not use the one club length to move the ball out of the hazard, both balls must be played from the hazard or played outside of the hazard after applying the appropriate penalty for that hazard. There are no restrictions on the number of shots used by each player.

**Gold Nine - Alternate Shot (traditional):** Prior to the start of this nine, each team must chose who will hit the tee shot on the even holes and who will hit the tee shot on the odd holes (yes, one player will hit an extra tee shot - include that in your strategy); play alternately after the tee shot. The ball used must also be used to hole out. No changing balls on the green. Always play the ball as it lies - no "preferred lies", no "winter rules".

**Back Nine - Best Ball:** 2 Man net best ball. Handicap allowance using 90% of course handicap (USGA handicap System Sec 9.4). Both players play the ball as it lies.

### **PAYOFF**

Payoff's for each flight on each nine hole score as well as the 27 hole score. Approximately 6- 9 tees per flight, depending on total participation, (based on team handicap index).

Skins & Nearies for each flight. An additional fee for the skins and nearies. Also, long drive hole for each flight.

### Deciding Ties

Nine hole events – matching score cards on the basis of the best scores for the last three holes.

27 hole event – matching cards on the basis of the best nine holes using the last three holes from each 9 hole event.
