New Business – General discussion points

- Classic or Individual Match Play matches must be played by each round due date. NO EXCEPTIONS. This applies to all leagues.
- Gold tee events – Eligible players must notify league administrator (Dave Sack) if you are planning on playing the gold tee events before the season starts. You are allowed to play other tees (white/blue) during the season, but we ask that you notify Dave Sack the week that you play a different tee to keep things organized from a scoring perspective.
- Saturday’s and both Wednesday (18/9) schedules have been tentatively set. See website.
- General discussion about FHMC member/guest tournament
- Hole handicapping – Eric Larson to confirm with MGA which hole handicap direction they feel we should go. The FHMC board has decided that we will follow the MGA’s recommendations once received. Update at next meeting.
- FHMC Spring Banquet – April 18, 2020. FHMC will pay the entry fee for anyone who wants to play. Also, the meal will be provided by FHMC.
- West Side Seniors (WSS) schedule – May 21st (Bent Creek), June 9th (Island View), June 23rd (Fox Hollow), July 13th (Dahlgren), July 20th (Elk River), August 6 (Wild Marsh) and August 26th (Monticello)
