New Business – General discussion points

- No scorecard usage for the league play – the Fox Hollow app will be used for scoring of all events as a touch free policy. Eric stated he can send the scoring info from the app to Dave Sack for TPP entry and event results processing.
- Tee Times and event signup – Players must call Fox Hollow pro shop to sign up for league events. Chad Christian will be looking into Google Doc options and present to the board for consideration in the coming days/weeks.
- Special events such as Individual Match Play and Classic will still be played on schedule – Players must call Fox Hollow pro shop to sign up for these events and pay special fee when required.
- Saturday league schedule changes – May 16th, 2020 “Pick your pro” event will be rescheduled due to the PGA Championship being reschedule to August. League chairman will review schedule for any other changes that need to be made.
- Fox Hollow shallow cups and effect on putts. Board has determined that Fox Hollow’s solution for the Covid-19 touch free requirements by the State of Minnesota have had no effect on golfer’s ability to hole putts. ALL PUTTS MUST BE HOLED OUT.
- Bunkers – Per USGA recommendations, the FHMC board has elected to allow a one club relief to a golf ball that has finished in an unranked footprint. Since rakes have been removed from all bunkers on Fox Hollow due to Covid-19 restrictions.
- Player league fee refund – Donovan Shaunessey has requested a refund of league fees due to family issue. FHMC board has approved and request Eric Larson to send a check refund to Donovan.
- Dave Sack will be sending out a summary email to all league member ship on Sunday night or sometime Monday to notify all members of impacts to leagues and new processes at Fox Hollow to ensure a safe environment for all players and employees.
