Use current GHIN Handicaps on the day of your match.
To calculate handicaps, use the difference of player's 18 hole white tee handicaps and divide by 2.
Round up if not an even number (i.e. - 2.5 becomes 3 strokes)
Matches cannot be held during a normal league event
Each pairing is responsible for scheduling the match by the dates indicated
Report all results to the League Administrator by email - Paul@IOAinc.net

Final Matches by August 10th

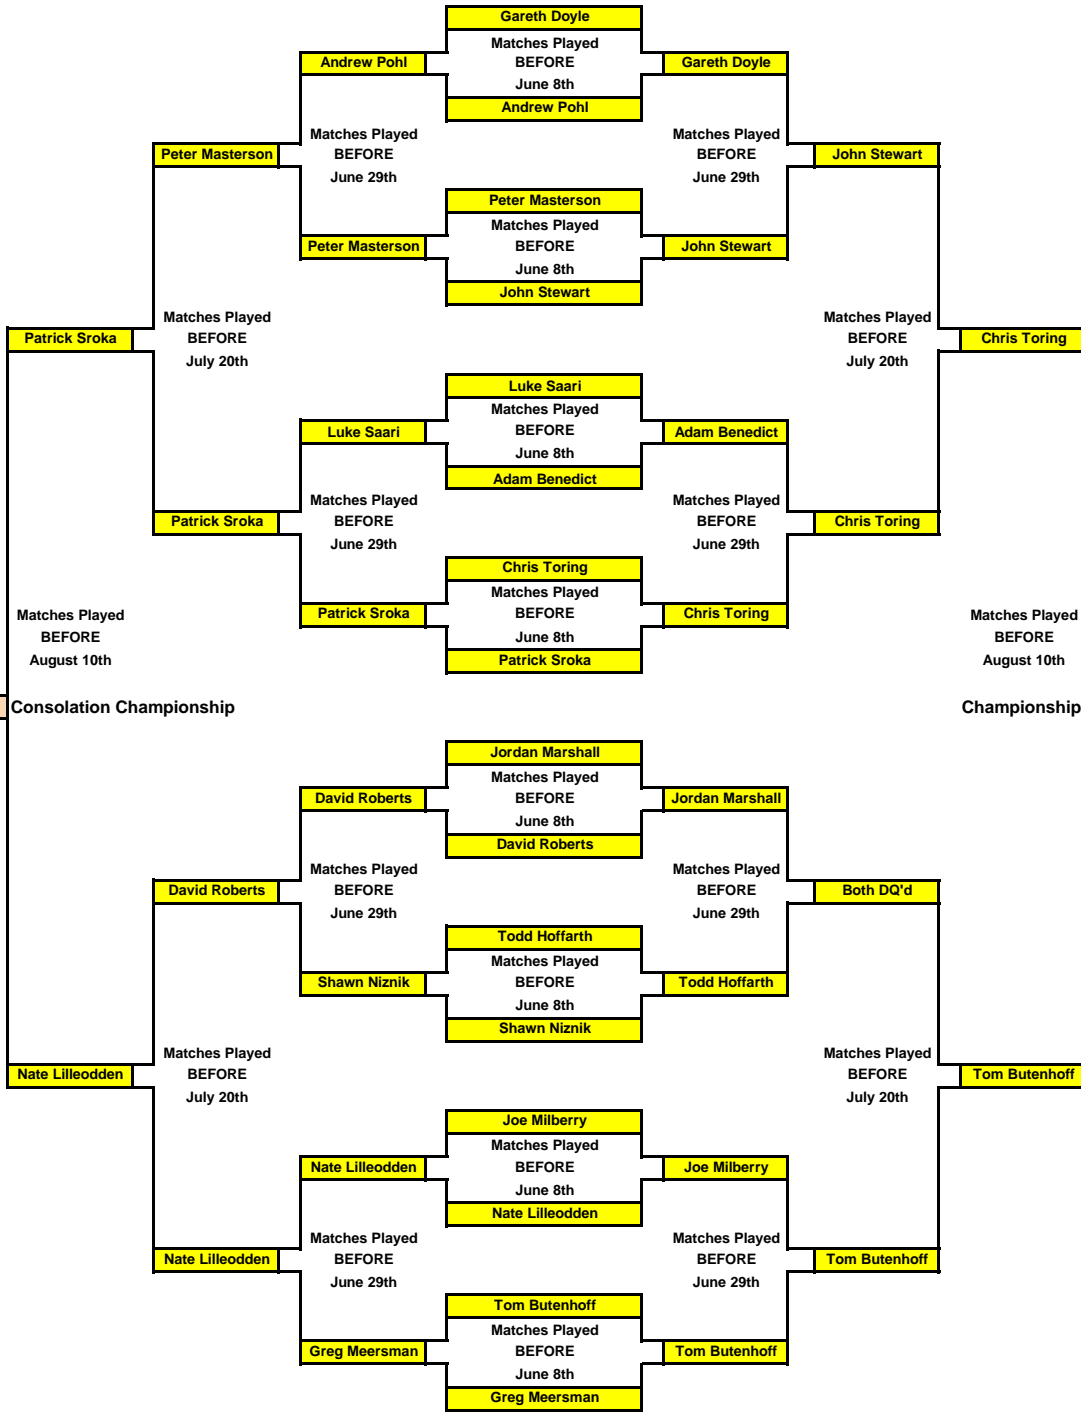

Notes:
Final matches will be seeded based on total points won
In the event of a seeding tie, head to head result will be first determinant.
Next determinant will be most matches won
